

Waterlefe Golf Committee

Mission Statement 2017-2018

The Waterlefe Golf Committee's primary focus is to ensure the successful operation of the Waterlefe Golf Course in order to maintain and if possible improve the value of Waterlefe's residential properties using sound operational and financial management. The Committee will develop an understanding of the tactical issues associated with the operation of the Waterlefe Golf Course and provide oversight on important daily operational issues. The Committee will identify strategic issues that affect the Waterlefe Golf Course and the Waterlefe community, develop appropriate strategies and make recommendations to the CDD Board of Supervisors in connection with its findings.
