

MINUTES OF THE LANDSCAPE COMMITTEE MEETING

MARCH 9, 2016

Present: John Brocki, Phyllis Balestra, Donna Mars, Judy Jones, John Stevens, Michael Kilbride
Sue Sauermilch, Ishrut Batjer.

The meeting was called to order by Mr. John Brocki. The Minutes were approved by Mrs. Phyllis Balestra and seconded by Mr. Kilbride.

- The cul-de-Sac at the western end of Discovery Terrace, was discussed. Water was the main issue that was causing the Philodendrons to die in one spot. John to check with Yellowstone on his walkthrough on Thursday.
- The water pipes on the circle on Waterlefe Blvd between Fish Hook and Winding Stream. White Diamond to check if they were working..
- The plan presented by White Diamond was not approved. Required a lot of tweaking.
- The height of the wall was discussed, and the trees to be planted (3 Poincianas) was discussed. Lighting in the circle was also discussed.
- The flowers for the Spring annual planting will be delayed due to the fact that the winter plants are still flowering.
- White Diamond to be contacted to check the end caps in the Spring flower beds to make sure they are functioning.
- John Brocki to do a walkthrough of the CDD maintained gardens with Yellowstone. He asked that any committee member may attend. Judy Jones to accompany him.
- Meeting was adjourned. Next meeting April 5, 2016.
