

EROSION COMMITTEE MINUTES  
NOVEMBER 15, 2011

A regular meeting of the Waterlefe Erosion Committee was held on Tuesday November 15, 2011 at 1pm at the River Club.

Dik Hall	Committee Chairman
Roz Warner	Committee Member and Liaison to the CDD
Joe Rasset	Waterlefe General Manager
Marty Schuler	Committee Member

Bobbie Griswold, Doug Reiff, Ron Myers and John Toborg were unable to attend.

Meeting was called to order by Dik Hall at 105PM.

Motion to approve October minutes was made by Marty Schuler and seconded by Roz Warner and was accepted.

Frankyn Dickson outlined in detail with photos on the remedial work done to his property at 812 Maritime court. The issue was a result of damage done by Bio-Mass. Marty Schuler and Dik Hall reviewed the attempted repair and agreed with Franklyn as to the faulty repairs. They also took photos. John Toborg was made aware and he said he would get it fixed.

It was noted by Roz Warner that the weeding of the canals would be done in the next couple of weeks. It was noted that after the weeding, Rick Schappacher, Distric Engineer, would give a report as to the priority areas for shoreline repair for 2012. Once the priority areas are designated, John Toborg will start the bid process.

The meeting was adjourned at 2PM.

The next Erosion Committee Meeting is scheduled for January 17,2012.
