

Landscape Committee Minutes

February 12, 2013

ATTENDANCE: Roz Warner, Ron Curtis, Linda Jesel, Christine Brookfield

Meeting called together at 1:00 PM. Minutes from last Landscape Meeting (June 2012) read and approved.

Mr. Casey from Lighting Repairs reviewed the specs of Phase 1 and 2 in order to give a bid for Lighting.

Committee reviewed the bids received from three landscapers. No comparison sheet supplied by Rizzetta. Very disappointed in the bids because of the wide variances in prices on irrigation and no specific information such as height of replacement palm trees at the entrance and the quantity and type of fixture for the lighting.

The committee members wondered if the CDD might be better off individually contracting the irrigation, lighting and/or removal/replacement of palm trees at our entrance.

It was agreed to follow up with John Toborg at Rizzetta to gather more info.

Meeting adjourned at 2:20

Roz Warner
