

Landscape Committee Minutes

June 12, 2012 1 PM

Present: Roz Warner, CDD Supervisor
Joyce Reiff
Heather Galbraith

The minutes from the April 10 meeting, which had previously been sent to all members, were approved.

A discussion of Phases 1 and 2 were discussed and all members present went to these locations to discuss in depth Simply Verdes' landscaping plans. The Committee would like to see some/all of the Washtonians removed and replaced with Royal Palms, such as will be used from UMR to the guardhouse in a future phase. It was suggested we contact Simply Verde to determine if some of the Washtonians could be kept to "blend" in with the Royal Palms. Roz will check with Simply Verde.

The committee felt we needed start getting bids for Phases 1 and 2 so that the landscaping could begin in early fall.

Further discussion about benches occurred. Joyce Reiff was selected as Chairwoman to look further into this matter.

It was decided there would be no meeting in July.

Meeting adjourned at 2:15

Rosalyn Warner

CDD Supervisor
